Notice of Public Hearings
Village of Poynette
Technical and Corrective Amendments to Land Division and Zoning Ordinances
(Title III, Chapters 1 and 2 of Poynette Municipal Code)

The Village Plan Commission of the Village of Poynette held a public hearing on September 16, 2014, and the Village Board will hold a second public hearing on November 17th, 2014. The hearing will commence at 6:00 p.m. at the Village of Poynette Village Hall located at 106 South Main Street, Poynette, WI 53955. The purpose of the public hearings is to allow all interested parties to be heard concerning proposed technical and corrective amendments to the Village's Land Division and Zoning ordinances.

The Land Division ordinance regulates the division of land by subdivision plat and certified survey map. The Zoning ordinance regulates the use of land and divides the Village into several different zoning districts, as represented on the zoning map. The Village repealed and reenacted these ordinances in 2013. Since then, the Village Plan Commission and staff have identified some errors and technical corrections to the ordinance text and zoning map.

Any interested person may review or obtain copies of the draft amendments to the Land Division and Zoning ordinances by contacting Village staff at the above address, by telephone at (608) 635-2122, or by e-mail at clerk@poynette.wi.gov. Written comments on the proposed amendments should be submitted before the public hearing date to the Village Clerk. All written comments will be forwarded to the Village Plan Commission and Board.
