

**PUBLIC NOTICE**  
**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**  
**Monitoring Requirements Not Met for POYNETTE WATERWORKS**

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. Between 10/01/2020 and 12/31/2020, we did not monitor for **inorganic (fluoride) contaminants**, and therefore cannot be sure of the quality of your drinking water during that time.

**What precautions should be taken at this time?**

There are no special precautions you need to take at this time. However, it is important to remember that the quality of your drinking water is not known at this time.

**What was the cause of the missed monitoring requirements?**

Error By the state Lab of Hygiene The Fluoride Was  
Canceled at The state Lab

**What is being done to correct the problem?**

Sample was Taken + sent to The state Lab of Hygiene

**When will the problem be resolved?**

Sample was Delivered to The state Lab of Hygiene on  
2-17-2021 Results were received on 2-18-21
