August 1  
September 6 (Tuesday due to holiday)  
October 3  
November 7

### **PLEASE NOTE:**

All brush/bagged debris shall be placed at the curb side by 7:00 a.m. on the dates listed above. Failure to do so will result in your items being left until the next scheduled pick-up date. It may take the Public Works crew several days to complete the collection in the Village due to weather and/or emergencies.

Large branches (1" to 8" in diameter) will be chipped at curbside only. Place all branches parallel to the street stacked neatly with the cut ends facing the same direction.

Village crews will not pick up bags over 30 pounds, dirt and grass roots, compost, or any other materials listed as "Items not Collected by the Village" in the Brush and Bag Collection Policy.

Residents are encouraged to compost as much of their yard waste as they can. If you do need to use the monthly collection service, **you will need to use compostable bags, reusable yard waste bags or any container that can be dumped by our Public Works crew.** Compostable bags can be found at most retail stores that carry garbage bags or yard maintenance equipment. **Plastic bags that are not compostable will no longer be accepted.**

In the month of November only, Public Works crews will pick up bagged or contained leaves the first three Mondays or as needed dependent on weather.
