Hanson/Sampson motion to move the zoning ordinance to Public Hearing and recommend approval of the zoning ordinance to the Village Board, MC
5. Discussion of the adjoining land use given the Library expansion: There was discussion concerning the concept plan of the Library expansion and Hanson felt that the other buildings owned by the Village should not be sold until the Library Plan is approved to see if additional parking would be needed that that space could be used for. He felt that the comprehensive plan called for the downtown to be more of a community hub and gathering place that would require more parking.

The meeting adjourned at 7:37 pm.
