

VILLAGE of POYNETTE 2013 BRUSH and BAGGED LEAF PICKUP

The Village Public Works Crew will begin regular curbside pick-up of brush and tree limbs and bagged leaves. Large branches (1" to 8" in diameter) will be chipped at curbside only on the **first & third full week of each month.** Place all branches in the same direction, with cut ends towards the curb.

Note that the 'first & third full week' as used here is the first or third week of each month where Monday begins that week, even if that week has a holiday in it.

Please place yard waste at curbside by early **Monday** of the pickup week. Workers may pick up on any day of the listed week, depending upon weather and other emergencies, so have your materials at the curb on the first morning of the scheduled pickup period.

Village employees will not pick up bagged material over 30 pounds per bag.

If you have an excessive amount of brush there may be a charge. If you have a large amount of brush please call 635-2122 x221, leave your address and name so the Public Works Crew can make arrangements.

Please save this notice for future reference:
