## **Parks Commission and Board of Zoning Appeals Vacancies Village of Poynette**

The Village of Poynette is seeking to fill vacancies on the Parks Commission and Board of Zoning Appeals.

The Parks Commission is in charge of the, supervision, and management of all public parks, recreational buildings, and grounds upon which the same are situated or adjacent thereto, public playgrounds, public centers, and similar public property and functions as assigned by the Village Board for the development, maintenance and operation of all public recreational facilities and programs that are determined are in the best interests of the Village and its inhabitants.

The Board needs to carefully consider requests for variances and appeals against pre-set criteria, with support from Village staff.

The Village Board will appoint members to serve the remainder of terms which expire in May of 2013 & 2014 and also 2 alternate positions.

This Board does not meet on a regular schedule. There will be approximately a 2-3 week notice of a scheduled meeting.

Interested residents who are at least 18 years of age should submit a one-page written Letter of Interest summarizing training, accomplishments, and any other information that may be pertinent to their effective performance on the Parks Commission or Board of Appeals
